11:30 am to 11:55 pm

6:30 pm to 6:55 pm

Level 1: Introduction to Water Skills

Prerequisites: Beginners: 3 and 4 year olds

Scared of water: 5 year olds

Purpose: Helps students feel comfortable in the water and to enjoy the water safely. Introduces children to swimming basics with the help of kick boards and floats; not for children who can propel themselves in water.

Level 2: Fundamental Aquatic Skills

Prerequisites: Graduated level 1

Beginners: 5 and 6 year olds

Scared of water: 7 year olds

Purpose: Gives students success with fundamental skills. For those who can swim with some kind of propulsion on their front and back, and can support themselves in deeper water without any assistance. Students will begin getting an idea on how to do beginner strokes.

Level 3: Stroke Development

Prerequisites: Graduated level 2

Beginners: 7 through 12 year olds

Purpose: Builds on the skills in Level 2 by providing additional guided practice. For those who are comfortable swimming on front and back, will work on improving crawl stroke and backstroke, technique, learn rhythmic breathing and be introduced to new swim strokes.

Level 4 & 5: Stroke Improvement & Refinement

Prerequisites: Graduated level 3

Purpose: Develops confidence in the strokes learned and to improve other aquatic skills. Stroke development and refinement. Gain confidence in strokes learned in levels 1-2-3. Intro to breast stroke, sidestroke, and turns. Improve endurance and learn surface diving.
